Returning to work signs
- stay safe with

Stock and bespoke Coronavirus signage, helping you get back to work safely.

We're here to help as you return to work please support us as a local business.

#SUPPORTLOCAL
Are you ready to go back to work?

The Coronavirus outbreak is on the decline but according to expert advice things will take a prolonged time to return to normality.

In these times, it is vital for everyone to be made aware of what actions to take in order to keep safe.

Eyecandy has designed this catalogue to ensure businesses have signage which aids and improves the health and safety around the workplace and allows staff, customers and visitors to stay safe.

Adrian George

ALL ITEMS ARE BESPOKE TO YOUR REQUEST AND IF WE DON'T HAVE WHAT YOU NEED, PLEASE CONTACT US!

Please send your enquiries to adrian@eyecandygraphics.co.uk or alternatively call us on 07802 299 447
Please select your sign design from the pages in this brochure then select the option you require...

**Standard Option**

*COV1D-19 (coronavirus)*

Everyone in the UK should now be using social distancing

Stay at least 2 metres (6 feet) away from other people

The standard option is the sign design without added embellishments or adornments.

**Logo Option**

*Your Logo Here “We Care” COVID-19 (coronavirus)*

Everyone in the UK should now be using social distancing

Stay at least 2 metres (6 feet) away from other people

The logo option is the sign design customised with your logo.

**Warning border Option**

*COV1D-19 (coronavirus)*

Everyone in the UK should now be using social distancing

Stay at least 2 metres (6 feet) away from other people

The warning border option will add a warning style border to any design of your choosing.

Please note if you require both the logo option and the warning border option this can be referenced to us by the use of the following code... EYEC2_AB and this effectively adds both options.

You can further customise and have any of these signs in any size...

All our signs will be supplied with 3M removable tape.

Please send your enquiries to adrian@eyecandygraphics.co.uk or alternatively call us on 07802 299 447

We offer a variety of physical separation measures to enable social distancing. The item below is a lightweight printed foamex with acetate or acrylic screen.

**PHYSICAL SEPARATION**

**Protective Wrap Around Screens**

Protect customers and staff whilst in close proximity to each other with lightweight, printed Protective Wrap Around Screens.

These fully printable foamex and acetate screens can be wiped clean to be safely kept hygienic and sanitised.

Screens come in two sizes to accommodate different counter settings and can be fully printed with branding to boost brand communication and social distancing to keep customers and staff safe. Large: 1100 (w) x 900 (h) x 300 (d) mm (approx) Small: 700 (w) x 900 (h) x 250 (d) mm (approx)

Use in -
- Reception area counters
- Retail cashier desks
- Open-plan offices and call centres

We also offer acrylic protective guards of all shapes and sizes, which will keep you, your clients and your staff safe during and after this pandemic. These like the above, offer the same solution but in a more robust format. We can make these to any shape or size to suit your work area.

**Bespoke sizing as requested**

We can customise these signs to any size and add your company logo.

Please send your enquiries to adrian@eyecandygraphics.co.uk or alternatively call us on 07802 299 447
Another form of social distancing measure we offer is perspex panels, which can be used between machinery or office desks. These Perspec panels can be used in conjunction with the below L-Bracket for social distancing purposes and can also be customised with your branding as you see fit.

L-Bracket Social Distancing Screen Dividers

Help protect customers and staff in environments where there is close proximity using the highly portable, rapid to deploy L-Bracket Social Distancing Screens Divider. These fully printable space dividers can easily be wiped down to be kept hygienic and sanitised.

The L-Bracket is designed to accommodate three different types of screen media; acrylic, Foamex and plastic corrtherm polycarbonate. Comes in black as standard however custom colours are available on request (POA). Brackets are sold in pairs, with or without screens. Half bracket dimensions: 600mm wide x 400mm high x 200mm deep, 11.3kgs (pair), screen dimension; 2000 x 690mm.

Use in -
- Self-service tills and bagging areas
- Retail department stores multi till points
- Airline check in and boarding pass stations
- Post Office counters and bank ATM’s

We also have retractable queue barrier systems available, please enquire for more options.

Please send your enquiries to adrian@eyecandygraphics.co.uk or alternatively call us on 07802 299 447
We also offer linkable partition kits, as displayed below

**PHYSICAL SEPARATION**

**Linkable Free-standing Partition Kits**

Guide visitors safely through stores by creating barriers with Linkable Free-standing Partition Kits or use in a business environment for desk spaces dividers. These fully printable space dividers can easily be wiped down to be kept hygienic and sanitised.

Linkable Free-standing Partition Kits are designed to accommodate three different types of media; acrylic, Foamex or clear acetate, all of which are fully printable to allow for communication and branding messages.

Small Linkable Free-standing Partition Kit; 100(w) x 1000(h) x 400(d) mm

Large Linkable Free-standing Partition Kit; 1000(w) x 2000(h) x 400(d) mm

Use in -
- Wayfinding and distancing in retail
- Transport link concourses
- Office and desk space dividers

These linkable partition kits are ideal for office desk barriers as shown to the left and on the right we have freestanding clip frames which are also available.

Please send your enquiries to adrian@eyecandygraphics.co.uk or alternatively call us on 07802 299 447
Gloss white, branded, wipe-clean sanitising dispenser units. Easily deployed to sit on counters, desks or affix to walls so available wherever staff, visitors or customers require them.

Make instructions or your brand message clear using the updatable A4 grip poster frame.

Counter Unit Dimensions (approx): 442(h) x 262(w) x 232(d) mm

Wall Unit Dimensions (approx): 422(h) x 262(w) x 232(d) mm
